Job Summary

Main Duties of the Job

We are looking for a caring, dedicated and reliable individual to join our team as a non-clinical care coordinator supporting the wider pharmacy team. This is an important role within the PCN, focusing on using systems and data to proactively identify patients in need of routine drug monitoring, alongside coordination and navigation of care.

Organisation Overview

Trowbridge Health Centre has approximately 100 staff and is a happy place to work. There is a strong team spirit throughout the organisation. We work together to produce the most efficient processes possible, and every individual is encouraged to be the best that they can.
